

Dear Sir/Madam,

Greetings from IEEE EU-REKA 2026 Organizing Committee,

At the outset, we wish to thank you for agreeing to participate in the program IEEE EU-REKA 2026. We consider this exercise as our contribution towards raising National literacy at the high school level using the vast potential of our Youth power. We greatly appreciate your contribution to this exercise.

Getting feedback from you will go a long way in improving the program to achieve its aim and objectives and hence request you to spare a few minutes in filling up this feedback form. It will also help us to evaluate the efforts of the youthful team of college students who took time off their collegiate activities to help your students. We plan to reward them based on your feedback and hence look forward to this feedback.

Thanking you once again
